ABOUT NATIVITY PREP. (www.nativityprep.org)

Nativity Prep was founded by Notre Dame Law Grad, David Rivera, and it operates as a private, independent, Catholic privately-funded school. Nativity Prep opened its doors to 19 students in September 2001, with the goal of providing an all-scholarship, high school- and college-prep middle-school education to students and families who could otherwise not afford one. Nativity Prep supports its students for success not only while at Nativity but continues the support through high school and college with programs focused on high school admissions and support of the students after high school graduation; both programs are staffed with full-time personnel and part-time volunteers.
